IMORI-
SAN?!
ARE YOU
OKAY?!

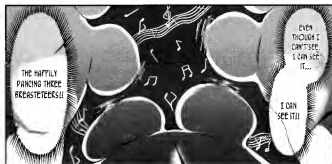

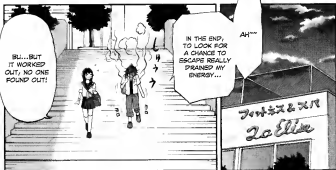

Inori-san's question corner

ask any
thing you
want!

- Why are you always wearing high school girl clothes?

Because I am a high school girl. If a high school girl wore a nurse outfit or something, it would be weird.

(Edogawa district - T-san)

- Why do you claim to be a high school girl?

Because I am a high school girl. A high school girl can't say they are a certified public accountant.

(Edogawa district - T-san)

- Why do you keep insisting you are a high school girl?

Give it a rest already!!

(Edogawa district - T-san)

- I am curious how you are able to live when you are unemployed.

I sometimes work part-time. And since I'm a high school girl...I don't think you can call me unemployed.

(Anonymous)

- Unemployed and spending everyday at home, what do you usually do?

The one who calls someone unemployed is the one whose unemployed.

(Edogawa district - T-san)

- How many outfits do you have?

Heh~ the truth is I don't have that many. Only enough to open a small store.

(P.N. Maki-chan-san)

- You use a swimsuit instead of underwear, doesn't it get stuffy?

It gets stuffy but I endure it.

(Otaawa - MT-san)

- What's your favourite snack to have with beer?

There are lots of snacks but the best snack to have with beer is beer!!

(Chiba prefecture - Eiken-san)

- If you have a "camera look" please show it!!

(Tokyo - Father of two)

- What are your thoughts regarding earth's global warming?

I leave earth's matters to earth.

(Unknown)

- Do you have a favourite motto?

"I am a high school girl".

(Makushari - Marisapo-san)
